

Fundraising Agreement Form

By signing this form, I agree that I (or my representative) will take part in 4 of the many available CLUB fundraisers that will take place throughout the 2017/18 season.

- I understand that individual fundraisers will also be available to my family but are not mandatory and not a part of this agreement.
- I understand that the Swim-the-Dream swim-a-thon is an entirely separate \$200 requirement** and is mandatory for all swimmers. I have included a post-dated Swim the Dream deposit cheque for \$200 dated Dec. 17, 2017. I am aware that any sponsorship money I raise over \$200 will go directly into my individual fundraising account.
- I have included a post-dated deposit cheque for \$500 dated March 31, 2018 and am aware that this will NOT be cashed unless our family does not attend 4 club fundraising events this season. In the event that we are able to attend some, but not all, of the required fundraisers we will only be charged \$125 per missing event (and not the entire \$500).
- I understand that I may choose to opt out of the fundraising (excluding Swim the Dream) and that, if I do, I need to add \$500 to my yearly fees.
- I understand that I may choose to opt out of the fundraising entirely and that, if I do, I need to add \$700 to my yearly fees. Even if I choose to pay the Swim the Dream fees in this manner, my child is still required to participate.
- I have also included a post-dated cheque for \$150 for my Volunteer Deposit commitment of 2 volunteer shifts and a silent auction item (min. \$50 value), dated Feb. 10, 2018.
- Finally, I have included a post-dated cheque for \$100, dated Jan. 15, 2018 as a deposit towards 10 tickets to our Pub Night fundraiser. I understand that this cheque WILL be cashed by the treasurer at that time.

I/We, _____, understand and agree to the Strathcona Synatics Fundraising Agreement and have included a deposit cheque of \$500. We are also aware we still need to raise \$200 for Swim-the-Dream. I/We have also included a Volunteer deposit cheque of \$150, and a Pub Night Fundraiser deposit cheque of \$100.

OR

I/We, _____, choose to opt-out of the fundraising and will be adding either \$500 or \$700 (please circle one) to our yearly fees. If we only add \$500, we are aware we still need to raise \$200 for Swim-the-Dream. I/We have also included a Volunteer deposit cheque of \$150, and a Pub Night Fundraiser deposit cheque of \$100.
